Giving You the Care You Deserve

Why Accessible?

Older people often dislike going to a hospital, hence, we are based in the community. Our clinic is located near the relaxing East Coast. For patients who prefer to receive care at home, we offer home-based care.

Why Affordable?

We believe specialist care should be affordable and transparent. We are priced at pocket-friendly prices, so you can get specialist care in the community.

Why Comprehensive?

Our geriatrician-led team understands older people have different needs. We address issues that help with your recovery through a multidisciplinary team approach.

One Stop Shop for the Elderly

At Alami Clinic, we specialise in caring for older adults. Our team includes specialist medical care by our geriatrician, Dr Nur Farhan Alami.

We offer memory assessments including diagnosis of dementia, health screening packages, vaccinations, management of chronic disease, cough and cold illness, injuries and acute medical issues in adults.

Services Offered

Besides medical needs, our team offers allied health, pharmacy and nursing services.

We offer after-hours services. Please contact us for an appointment.
